

## 22” “NZ RUGBY SHIRT” FOIL BALLOONS

**FRONT**

**BACK**

### **SPECTACULAR HIGH IMPACT COST EFFECTIVE DISPLAY BALLOONS**

(No other country competing in New Zealand will have these type balloons)

The 22” foil balloons (as pictured above) – front and back - are 22” in length approximately 48” in circumference, and 36” in width (sleeve to sleeve)

These can be air filled and hung from the ceiling, tension wires or wall hooks. (Helium costs to fill and weighted to the floor with a sand weight – approximately \$40 each shirt, but can be easily taken by patrons – air is free.)

Hung high the impact is just awesome, coupled with 3 x 30cm air filled latex balloons and poly ribbon spaced out within the premises; this has the potential to be an incredible display – supporting New Zealand and overseas visitors.

The foil balloons (when treated with respect) can be deflated, stored and used for future New Zealand/Rugby events.

Airagarmi will create packages as follows:

1 foil balloon	\$18.00
Hand pumps	\$12.00
Hang tabs	\$ 1.10 – packs of 10
Nylon line	\$10.00 per 200 yard roll

(All prices include GST)

Easy to install Instructions will be supplied with each box:

- Air inflating the 22” foil rugby shirts with the hand pumps,
- How to use “hang tabs” for application to the foil balloon and ceiling, high tension wires or wall hooks.
- Use of nylon – ensuring all foil balloons are at the same length.
- Inflating air filled 30cm latex balloons (to the same size) and use and applications of ribbons)

The boxes of balloons will be dispatched in March 2011.  
Purchasers will be notified of dispatch date and courier number.  
Communications between Airagarmi and purchasers will be accessible by cell phone and email)

A 50% deposit will confirm orders with the balance payable prior to dispatch.  
All prices include GST at the new rate.
